ABOUT BRANDSTOF

Brandstof is the café area of the concert venue, Bibelot. In addition to the concerts and events in the Main Stage and Power Stage there are some (semi-acoustic)concerts and events in Brandstof. Our live performances are promoted as Studio Brandstof. All the Studio Brandstof shows are free. In Brandstof visitors can drink and eat something before or after an concerts. Besides the bar the ticket box of Bibelot is situated in Brandstof as well. Because of the direct connection to our Power Stage, you may experience background noise from other productions.

ADDRESS

Our official address is Noordendijk 148, though navigation-wise it's easier to use Lijnbaan 168, Dordrecht (The Netherlands). Follow the signs '**Parkeren Energiehuis**' to arrive at the correct location.

Upon arrival, you can enter via the main entrance across from the Energieplein, the door to Brandstof is directly to your right.

PARKING

There is plenty of parking space in the parking garage, which is located across the street from Bibelot. On the night itself you'll receive exit cards from the Brandstof Manager. We do need your entrycard in return. Please notify in advance about the **amount of cars** you'll be arriving with, this way we can assure you of an exit card. Also, please let us know if you're travelling with a vehicle higher than 2.00 m.
